

Watkins International Loan Fund Donation Form

International Student Services – Texas A&M University

Dear Graduating Student:

The Watkins International Loan Fund was created in 1993 to assist international students who face short-term financial emergencies such as accidents, immigration-related complications, delays in International Bank transfers from home, or similar situations. The fund is named after Tina Watkins, who, as Director of International Student Services from 1979 to 1995 recognized the specific financial challenges that international students may experience.

Every semester, the fund allows a small number of international students to be helped with short-term, no-interest loans ranging from \$100 to \$1,000. The number of loans that can be extended is limited by the modest size of the fund.

Please consider making a monetary contribution from your reimbursable General Deposit, so that more international students can overcome a temporary financial crisis that would otherwise jeopardize their educational success.

YES, I want to make a contribution to the Watkins International Loan Fund for the following amount:

\$10 \$25 \$50 \$100 Other Amount (less than \$100):

Please remember that you can also make a tax deductible contribution of any amount by issuing a check to ISS - Watkins International Loan Fund. Donations are welcome any time!
