

International Student Services (ISS) Donation Tiers

Your generous donation to International Student Services (ISS) is greatly appreciated and will have a direct impact to the international students attending Texas A&M University. Thank you!

ISS sponsors are given opportunities year-round to introduce their brand and interact with the large and ever-growing international student population at Texas A&M University. Sponsors may choose to financially support an expense (i.e. meal, venue reservation, etc.) for an ISS event or program. The estimated value will determine the donation tier and corresponding recognition.

Please note that ISS *cannot*:

- Endorse specials, promotions, or events that are not specifically for international students
- Share promotional materials electronically unless there is a specific service being provided to international students
- Provide student contact information

At this time, ISS will be accepting donations for the 2018 – 2019 Donation Year. Sponsor recognition will apply to ISS events taking place during the Fall 2018 and Spring 2019 semesters based on level of sponsorship.

- **International Student Conference: August 23rd, 2018**
- **International Aggie Welcome Party: August 31st, 2018**
- **Graduation Events each semester graduates**
- **And many other ISS events scheduled through the semester**

To confirm your intended donation, submit a completed ISS Donation Form. For questions about the Donation Tiers description, contact Program Coordinator, **Steven White** at stevenwhite@tamu.edu or 979-845-1828.
